## **Exemption of BB Pipeline – QGC Pty Limited**

On 21 August 2015, subject to the conditions in this notice, AEMO made an exemption declaration for the following pipeline operated by QGC Operations Pty Ltd for the purposes of the Natural Gas Services Bulletin Board:

- Wallumbilla to Gladstone Pipeline

The exemption for the Pipelines has been made in accordance with clause 149(5)(b):

- The BB pipeline does not, or (in the case of a proposed BB pipeline) will not, transport natural gas between a production zone and a demand zone, between demand zones or between production zones

**The exemption declaration for the Pipeline is effective from the later of the day the operator commissions the Pipeline and the day the exemption declaration is made for that Pipeline.**

**The exemption has the effect that the Pipelines is not a BB pipeline for the purposes of the National Gas Rules.**

**The exemption declaration for the Pipeline will be revoked automatically upon Curtis Island LNG being declared a Demand Zone in the Natural Gas Services Bulletin Board Procedures.**
