Exemption of BB Storage Facility and BB Pipeline – Santos CSG Pty Ltd

On 23 December, AEMO made an exemption declaration for each of the following storage facility and pipeline operated by Santos CSG Pty Ltd (ACN 121 188 654) for purposes of the Natural Gas Services Bulletin Board (Gas BB):

- Roma Underground Storage Facility
- Pipeline Lateral (PPL148 Lateral)

The exemption for the Storage Facility has been made in accordance with clauses 150(5)(b) and 150(5)(c):

- The BB storage facility is, or (in the case of a proposed BB storage facility) will be, used solely as part of a production facility.
- The BB storage facility is not, or (in the case of a proposed BB storage facility) will not be, connected to a BB pipeline.

The exemption for the Pipeline has been made in accordance with clause 149(5)(b):

- The BB pipeline does not, or (in the case of a proposed BB pipeline) will not, transport natural gas between a production zone and a demand zone, between demand zones or between production zones

The exemption has the effect that Santos CSG Pty Ltd is not required to submit standing or daily data for the storage and production facility.

The exemption declaration for the storage facility is effective from the later of the day the storage facility is commissioned, and the day the exemption declaration is made for the storage facility.

The exemption declaration for the Pipeline is effective from the later of the day the operator commissions the Pipeline and the day the exemption declaration is made for that Pipeline.

The exemption has the effect that the storage facility and pipeline is not a BB storage facility or BB pipeline for the purposes of the National Gas Rules.
