## **Exemption of BB Pipeline – Australia Pacific LNG Pty Limited**

On 4 September 2015, subject to the conditions in this notice, AEMO made an exemption declaration for the APLNG Pipeline operated by Australia Pacific LNG Pty Ltd for the purposes of the Natural Gas Services Bulletin Board.

The exemption for the Pipeline has been made in accordance with clause 149(5)(b):

- The BB pipeline does not, or (in the case of a proposed BB pipeline) will not, transport natural gas between a production zone and a demand zone, between demand zones or between production zones

**The exemption declaration for the Pipeline is effective from the later of the day the operator commissions the Pipeline and the day the exemption declaration is made for that Pipeline.**

**The exemption has the effect that the Pipeline is not a BB pipeline for the purposes of the National Gas Rules.**

**The exemption declaration for the Pipeline will be revoked automatically upon Curtis Island LNG being declared a Demand Zone in the Natural Gas Services Bulletin Board Procedures.**
