

Intent to Register Condabri Central Production Facility on the National Gas Market Bulletin Board

The Australian Energy Market Operator (AEMO), as the Bulletin Board (BB) Operator is hereby giving notice that it intends to register the Condabri Central Production Facility on the National Gas Market Bulletin Board, effective 18 June 2014.

Registration is based on the following information provided by Australia Pacific LNG Pty Limited (APLNG), operator (AEMO operator number 101) of the Condabri Central Production Facility.

- The facility will commence production on or soon after 18 June 2014.
- The facility will produce gas into the Roma production hub (540027).

Based on this information, AEMO considers that the Condabri Central Production Facility should be registered as a BB facility. In accordance with sub rule 154(2)(c) of the National Gas Rules, AEMO proposes to include Condabri Central as a production facility on the BB Facilities List with effect from 18 June 2014.
