

Notice to BB interested parties on the change in flow data reporting for South West Queensland Pipeline

This notice advises BB interested parties that the following changes are proposed for reporting of South West Queensland Pipeline (SWQP) flows from 1 August 2014.

The SWQP flows for Moomba production zone ID 550017 will include deliveries from local production at Moomba. Zone 550017 = (Deliveries (MAPS + MSP)) - (Moomba Receipts)

The gas flows for SWQP demand zone ID 540023 will include deliveries to (or from) Berwyndale (BWP) and Comet Ridge (CRWP) pipelines.

Positive flows will indicate net gas flows from Wallumbilla to Moomba.

The following map illustrates these changes.
