

Intent to Register Condabri South Production Facilities on the National Gas Market Bulletin Board

The Australian Energy Market Operator (AEMO), as the Bulletin Board (BB) Operator is hereby giving notice that it intends to register the Condabri South Production Facility on the National Gas Market Bulletin Board, effective 7 February 2015.

Registration is based on the following information provided by Australia Pacific LNG Pty Limited (APLNG), operator (AEMO operator number 101) of the Condabri South Production Facilities.

- The facilities will commence production on or soon after 7 February 2015.
- The facility will produce gas into the Roma production hub (540027).

Based on this information, AEMO considers that the Condabri South Production Facility should be registered as a BB facility. In accordance with sub rule 154(2)(c) of the National Gas Rules, AEMO proposes to include the facility in the BB facilities list with effect from 7 February 2015.
