

Notice of Registration of Combabula Production Facility on the National Gas Market Bulletin Board

The Australian Energy Market Operator (AEMO), as the Bulletin Board (BB) Operator is hereby giving notice that it has registered the Combabula Production Facility on the National Gas Market Bulletin Board, effective 3 September 2015.

Registration is based on the following information provided by Australian Pacific LNG Pty Limited, operator (AEMO operator number 101) of the Combabula Production Facility.

- The facility will commence reporting its Actual Production and Capacity Outlook from 3 September 2015.
- The facility will produce gas into the Roma production hub (540027).

Based on this information, AEMO considered that the Combabula Production Facility should be registered as a BB facility. In accordance with sub rule 154(2)(c) of the National Gas Rules, AEMO has included the facility in the BB facilities list with effect from 3 September 2015.
