

Notice to all BB interested parties:

6 October 2016

Notice of Registration of Moomba Lower Daralingie Beds (LDB) Storage Facility on the Natural Gas Services Bulletin Board.

The Australian Energy Market Operator (AEMO), as the Bulletin Board (BB) Operator is hereby giving notice that it has registered the Moomba Lower Daralingie Beds (LDB) Storage Facility on the Natural Gas Services Bulletin Board, effective 6 October 2016.

Registration is based on the following information provided by Santos Limited, operator (AEMO operator number 92) of the Moomba Lower Daralingie Beds (LDB) Storage Facility. The facility will commence its reporting requirements under part 18 of the National Gas Rules on gas day 6 October 2016:

- The facility will commence its reporting requirements under Part 18 of the National Gas Rules on gas day 6 October 2016.
- The facility will produce gas into the Moomba Production Zone (540017).
- The facility is exempt from reporting nominated and forecast flow data under rule 169C (2) as it is operated solely as part of a production facility.

Based on this information, AEMO considers that the Moomba Lower Daralingie Beds (LDB) Storage Facility should be registered as a BB facility. In accordance with sub rule 154(2)(c) of the National Gas Rules, AEMO has included the facility in the list of BB facilities with effect from 6 October 2016.

Bulletin Board Operator.
